One of the unique places of this property is without any doubt its private islet accessible via a bridge with a seating area and a solarium.

The house has large areas with galleries on each floor that make the distribution to other divisions. It has three suites and three bedrooms, office, living room, dining room, covered terrace and chapel. In terms of services we have a fully equipped kitchen, laundry room, several storage spaces, three-car garage, a caretaker's house with further bedrooms, and an outdoor suite for guests.
