Large plot of land with planing permission for a 4 bedroom villa.

Exceptional building plot with outline planning permission situated in a desirable position in a very well located, established estate just a few meters away from the excellent Boa Vista Golf resort, and only 5 minutes away from the excellent sandy beach of Porto de Mos, and the historic centre of Lagos.

Allowable building permission on this building plot is up to 350m² over two floors with a swimming pool.

This is a superb opportunity to purchase one of the last remaining plots on this sought after estate, to build a dream home, for either full time living or for holiday/investment purposes.

Lagos is situated just a short drive of 45minutes from the Algarve Airport of Faro, and has an international Marina, being one of the first stops for yachts coming from the Americas.
