Baia da Luz - Praia da Luz

Set against the striking backdrop of Rocha Negra, Baía da Luz is located within the town of Praia da Luz, just 6km west of Lagos. Reflecting the history of the area, this luxury resort is beautifully designed around Roman architecture and landscaped gardens that include cypress, olive and palm trees, and fragrant lavender borders. The residential complex has a 'village' style layout with the apartments located in three storey clusters, each benefitting from terraces and underground parking, with lift access from the basement to each floor. The properties comprise a mix of one, two and three bedroom apartments and three bedroom townhouses, with the interiors designed to ensure both high levels of comfort and functionality.
